

# Maximize your Revenue Cycle with VHC solutions

## **Partner with VHC to create long-term, global solutions for your Revenue Cycle**

VHC recognizes the pressure, seemingly never-ending changes, and ongoing challenges facing healthcare organizations today. For two decades, we have leveraged our leadership experience, revenue managers, and performance improvement consultants to assemble a dynamic team of professionals ready to assist with identifying and implementing improvements to increase reimbursement, and improve overall revenue cycle efficiency.

### REVENUE RECOVERY

HFMA staff and volunteers determined that this product has met specific criteria developed under the HFMA Peer Review Process. HFMA does not endorse or guarantee the use of this product.

VHC's revenue cycle services, technologies and solutions work together to optimize the entire revenue cycle. Our consulting experts can quickly identify weaknesses in processes through revenue cycle assessments, coding audits, DRG Transfer reviews, and CDM reviews.

With the use of intelligent proprietary analytics, our all payer recovery teams are truly the best at finding and recovering lost or unidentified revenue. In fact, VHC is the only HFMA Peer Reviewed Medicare Recovery and billing services firm.

Our charge capture technology provides automated charge reconciliation on the front end to streamline billing processes on the back end.

VHC's revenue cycle professionals resolve the most complex billing issues and operational challenges troubling the hospital revenue cycle. For more information call us at (630) 620-9178 or email [info@vhci.com](mailto:info@vhci.com).
